

Online Safety Acceptable Use Agreement for Cranbrook Education Campus Primary

As part of the framework and programme of activities to support children's learning and development, your child will have the opportunity to access a wide range of information and communication technology (I.C.T) and Computing resources. These resources include access to:

- ★ Computers
- ★ Internet
- ★ Email
- ★ Games consoles
- ★ Digital cameras, copying and printing facilities
- ★ Recorders and Dictaphones.

We recognise the important contribution and value that such resources play in promoting children's learning and development; however, we also recognise there are potential risks involved. We therefore have rigorous online safety policies and procedures in place.

In order to support us further in developing your child's knowledge and understanding about online safety, please read the following rules with your child. We then ask that you 'sign' and return the attached slip. We feel it is good practice to involve them as much as possible in the decision making process, and believe a shared commitment is the most successful partnership.

Full details of the Acceptable Use Policy and Internet Policy are available on request.

Hopefully, you will also find these rules provide you with an opportunity for further conversation between you and your child about safe and appropriate use of the online and digital technologies.

Should you wish to discuss the matter further, please do not hesitate to contact Mrs Moretta, Headteacher.

Parent/Carer Agreement:

Online safety acceptable use agreement return form

- ★ I have read and discussed the agreement with my child and confirm that he/she has understood what the rules mean.
- ★ I understand that the Academy will use appropriate filtering and ensure appropriate supervision when using online and digital technologies.
- ★ I understand that occasionally, inappropriate materials may be accessed and accept that the school will endeavour to deal with any incident that may arise, according to policy.
