

Local Walks, DVDs, First Aid and Sun Tan Lotion Consent for Cranbrook Education Campus Primary

I would be grateful if you could read the information below and sign to give your consent to the following arrangements please.

Walks in the Local Area

From time to time the staff in the Campus may need to take the children out for walks around the local area.

These walks are carefully planned to support topic work or curriculum enrichment activities. All walks will be closely supervised by the appropriate number of adults.

Occasionally, the walks will be made at relatively short notice, so that we can take advantage of good weather, or something which is happening locally.

Please complete the slip below to give permission for your child to take part in all local walks/activities. For any trips involving contributions or coach travel, separate letters will be sent out.

TV/Film clips/DVDs

During the school year we may show parts of, or whole films and programmes to support your child's learning. We only ever use suitable material and show films with a U or PG certificate.

Please complete the slip below to enable your child to take part in these activities.

First Aid

Should your child be injured in school, our qualified First Aiders will be required to administer First Aid.

Please sign below to give permission for your child to receive medical attention should it be deemed necessary by a member of staff.

Sun Tan Lotion

We encourage parents/carers to apply suntan lotion to child/children before they arrive at school during sunny weather. There may be occasions where this has been overlooked or children may need more reapplying. In the Campus, there is sun tan lotion which we will encourage children to apply to themselves to avoid being burnt. Please sign the below to give permission for your child to apply their own sun tan lotion should it be deemed necessary by a member of staff.

I give permission for my child (Child's name) to participate in local walks/activities, watch appropriate TV/film clips/DVDs, to receive medical attention should it be required and to be provided with sun tan lotion if needed.

Signed (Parent/Carer) Date
