Summer Term 2020

Dear Parent/Carer,

This letter is to inform you that a pupil at Cranbrook Education Campus has a severe food allergy to peanuts/nuts. It is important that there is strict avoidance to this food in order to prevent a life-threatening allergic reaction. We are asking your help to provide the pupil with a safe school environment.

Any exposure to peanuts/nuts may cause a life-threatening allergic reaction that requires emergency medical treatment. To reduce the chance of this occurring, we are asking that you do not send any peanut or nut containing products to school with your child that will be eaten on Campus. If your child has eaten peanuts/nuts before coming to school, please be sure your child's hands and face have been thoroughly washed before entering the school. If students are seen with peanut or nut products then they will be confiscated, stored and returned at the end of the day.

We appreciate your support of these procedures. So we are certain you have received this information please either complete and return this form or email reception@cranbrookeducationcampus.org.uk to specify you agree to do your part in keeping the campus peanut and nut free.

Please do contact me if you have any questions.

Yours faithfully,

Mr Stephen Farmer
Head of Campus

Please return to Reception

I have read and understand the peanut/nut free classroom procedures. I agree to do my part in keeping the Campus peanut and nut free.
