DATES FOR THE DIARY

Last Day of Term
Friday 31st March

Back to School
Monday 17th April

MY CHILD AT SCHOOL (MCAS)

We have now completed our roll out of parent access to MCAS and all parents will have received an email with the codes to access this new communication portal.

In order to streamline our communications, Xpressions is no longer being used so please make sure you are able to access your MCAS account.

If you have experienced any issues logging in, please raise these with

Reception@cranbrook.education urgently so that you do not miss any important communication

ONLINE PUPIL STATEMENTS

With the QR code we have generated, pupils can now complete statements at home on a computer, tablet or smart phone so we don't need to ask them to complete them on arrival to school.

SCIENCE CLUB

Is there witchcraft and wizardry in the real world? You may think that magic and spells only exist in your favourite books and movies. But can we make magic in the real world?

The ultimate goal for any witch or wizard is to make gold. Alchemy is a mystical and secretive discipline that involves the transmutation of base metals into gold, the creation of elixirs of immortality and the search for the philosopher's stone. The Science club, using their knowledge of the four elements (earth, air, fire and water) and the three principles (sulphur, mercury and salt) successfully transmuted copper coins into gold coins.

ICE EXETER

ICE Exeter have been working with Secondary this year on providing Christian focused assemblies at the end of each half term. This one is focused on Easter and gives us an opportunity for reflection during our hectic lives. <https://www.youtube.com/watch?v=85kT4J1zkds>

LOST PROPERTY

We currently have a number of bottles, pencils cases, coats, jumpers, hats, gloves etc which are unnamed. We would like to reunite them with their owners or donate to charity if not claimed by the end of term. Please email pupilservices@cranbrook.education if your child is missing something

PUPILS LEAVING SCHOOL

Any pupil wanting to leave the school for any reason (other than a pre-arranged medical appointment), must speak to a member of staff in Pupil Services who will be able to offer help or support and can contact home, if deemed necessary. Pupils should not be contacting home themselves. Their phones should be off and in their bags during the school day. If they do not follow this procedure, their absence will be unauthorised and will have a negative impact on their attendance record.
