

Participation Expectation

All pupils are expected to take part in every PE Lesson.

Reasons for not taking part in PE.

If a pupil is sent to inclusion it will be for that lesson and a one hour after school detention.

Acceptable reasons for not taking part

Medical - Email from home prior to 8:35 am on the day and doctors note as soon as possible thereafter. Without contact from home it is at the PE teacher's discretion as to whether a pupil takes part.

Unacceptable reasons for not taking part

No Kit - If you have no kit then the expectation is that you will use some of the CEC spare PE kit.

Pupils who refuse to wear provided kit will go to Inclusion for the lesson and have a one hour detention after school.

If a pupil refuses to take part in PE on medical grounds without contact from home this will result in Inclusion for that lesson accompanied by a phone call home to check by Inclusion. If lack of participation in PE becomes persistent then a meeting will be arranged with your Parent/Guardian.
