WE'VE GOT NEWS FOR YOU!

JULY 2025

JULY JUBILATIONS

Thank you for reading our July issue of CEC News. We hope you've had an amazing school year and hope to see you again next year. In this issue we'll cover the exciting events of activities week, like the 3 day residential with PGL, the trashion show as well as the Cranstonbury concert.

HIGHLIGHTS OF THE MONTH

During the final term of the 24/25 academic year, we've had the Year 11 Prom, with the students looking stunning on the red carpet and we've finished the year on a high with a range of activities on the final week like the PGL residential, Woodlands, Crealy and a range of activities on site too. However, we're sad to say goodbye to some amazing staff like Miss Art and Mr Meehan. The Cranstonbury concert was a memorable event, with the choir, musicians and many stalls for our entertainment. But the 'soak the teacher' was definitely a highlight too!

TEACHERS PET

Hi, my name's Alfie and I'm a fourteen year old springer spaniel. I can't move like I used to but still enjoy walking and hurdling! I was the middle child in my litter and had a brother named George, who is sadly no longer with us.

And I'm Deli! I'm a four year old beagle cross whippet and I'm full of energy- apparently I'm always causing havoc! Whose pets are we?

CULTURAL CONNECT

The culture we'd like to celebrate this month, is based around the country of Hong Kong, where Lunar/Chinese New Year is celebrated. People are given pocket money in red envelopes and eat dumplings. When interviewed, Savanna said "I enjoy some of the lessons" at CEC and explained that her favourite meal is dumplings with meat or vegetables inside.

Charlotte also added that "Reading Chinese Cinderella is cool" and makes her feel included at school. Both students would like everyone to know that Lunar new year is celebrated in February and would like to see this become part of the school celebrations.

CRANTASTIC TEACHERS

Mrs Brown is our deputy headteacher and she “feels privileged to work at this school”. She “started here as Head of English 8 years ago”, after training to teach at St James. Before becoming a teacher she was a Retail manager and she decided to retrain to become a teacher, after having her second daughter.

Next year she would like “All students to feel like they belong to our community” and to feel included.

CREATIVE CORNER

Final assessment showcase- Written by Chloe G.

A cold, icy raindrop pattered continuously as it fell onto my head. It seemed as if it were completely missing my umbrella. The ominous moon watched my every step. Suddenly, I felt something touch my bare leg. I snapped my attention to my feet. A lifeless branch was lying beside my foot. I took a deep breath. Cold night air made me shiver with every unsteady breath. A wolf's howl filled the night air. I froze. Beady, hungry eyes watched me from the deep undergrowth. A growl sounded as if it were behind me. I turned and I looked dead straight at a large, black, red eyed wolf. It stared down at me, its eyes hungry for easy prey.

Mrs Brown is looking forward to becoming Head of Secondary next year and one of her favourite PERKS is kind, which she represents everyday.

In her spare time, Mrs Brown enjoys “spending time with her family” and said that “we need to celebrate successes every day because we should focus on how great we all are and how great our school is”.

We think Mrs Brown is a really great person and we hope you do too!

WE NEED YOU!
